

### PLANT INFORMATION

**PSA Ref #:** 00316

**Model No:** C16

**Plant Name:** ELECTRIC PORTABLE COMPRESSOR C16

**Manufacturer:** Crommelins Machinery WA

**Manufacturer's Website:** [www.crommelins.com.au](http://www.crommelins.com.au)

**Web Link for Plant:** [www.crommelins.com.au](http://www.crommelins.com.au)

**Potential noise level in dB:** 85 to less than 90

**Required hearing protection class:** 1

**Mandatory Personal Protective Equipment:**

**CROMMELINS™**  
MACHINERY

Breathing  
Apparatus

Eye  
Protection

Foot  
Protection

Clothing

### RISK ASSESSMENT INFORMATION

**Operator Competency:** Plant Licence Not Required

Potential Hazard(s)	Risk Level	Control Measure(s)
Electrical hazard.	Medium	<ul style="list-style-type: none"> <li>Use a power supply protected by a safety switch. Do not use in a wet environment. Do not use with faulty leads or equipment. Ensure equipment is tested/tagged for compliance with electrical safety testing requirements. Use only heavy duty 15amp extension leads. Connect only to a power outlet rated to the amperage requirement of the electric motor. The motor is protected by an overload switch.</li> </ul>
Injury or ill health due to exposure to contaminants.	Medium	<ul style="list-style-type: none"> <li>If the unit is being used for spraying wear approved breathing apparatus.</li> </ul>
Eye injury from released high air pressure.	Medium/Low	<ul style="list-style-type: none"> <li>Ensure all hoses/fittings are securely connected. Release air pressure before disconnecting hoses, etc. Wear eye protection.</li> </ul>
Cut, Stab, Puncture due to coming into contact with moving parts.	Medium/Low	<ul style="list-style-type: none"> <li>Do not operate unless all guards are in place.</li> </ul>
Slip/Trip/Fall.	Medium/Low	<ul style="list-style-type: none"> <li>Be aware of hoses or power leads on the ground, keep clear of such obstacles.</li> </ul>

Hearing damage.	Medium/Low	<ul style="list-style-type: none"> <li>Wear approved hearing protection if working in close proximity to the unit.</li> </ul>
Manual handling hazard.	Medium/Low	<ul style="list-style-type: none"> <li>This unit weighs 68kgs.</li> <li>Do not attempt a single person lift. A two person lift is required. Use correct lifting techniques.</li> </ul>
Do not use on inclines of more than 20 degrees	Low	<ul style="list-style-type: none"> <li>Ensure the equipment is operated on a stable, level surface. If equipment is operated on a slope, engine seizure may occur due to improper lubrication, even with max. oil level and functioning oil protection system. Fuel spillage may also occur</li> </ul>
